► How to participate:

Complete program activities to earn rewards

A personalized, holistic approach to wellbeing, risk management, and a culture of care that will make teams and businesses healthier – now and in the future. Navigate’s Total Health Survey gathers data on lifestyle, medical and family history, biometrics, and personal goals. Users receive a personalized plan that includes video learning courses, health coaching, group challenges, and personal challenges, while also embedding the benefits at your company.

Your program activities

Visit the tracking table on your platform dashboard for more details about completion requirements, to submit a completed activity, and to review your progress in the program.
